A nonrefundable application fee of \$100.00 is required. Enclose a check made out to Rowland Ward. MasterCard and Visa are also acceptable. (A \$50 credit is granted towards the purchase of a measuring kit from Rowland Ward within 30 days of your application being approved.) All measurers are required to take an online course at rowlandward.org and pass the test within 12 months of filing an application.

A measuring kit can be purchased for \$175.00 plus shipping. It contains a folded wooden ruler with slide-out extension (for spread measurements), a steel cable with a stop, calipers, carpenter's square, metal tape measure with a hook, soft tape measure without a hook, and RW patch. The kit comes in a padded canvas bag with leather patch. Method Forms, Guiding Principles, and Measuring Handbook with specific measurement instructions can be downloaded from rowlandward.org at no charge.

Conduct of measurers is bound by the Rowland Ward Guiding Principles. Measurers who fail to measure honestly or who behave unethically in the field will be removed; no refund will be given. Any formal charge by a governmental body of violating a hunting or wildlife law will lead to suspension as a measurer until the matter is settled. Please understand we take this seriously. Any decision in regard to suspension or removal as a measurer is made solely by Rowland Ward and is final.

I have read and understood this application, and the information given here is true and correct.
